

STUDY IN THE UK

YOUR UNIVERSITY GUIDE

FREE APPLICATION SERVICE

We do not charge for our services. Our counsellors are trained in the official the application processes to over 100 universities, colleges and schools, at all levels of study.

We can assist with your university choices and recommend institutions and courses based on your budget, preferred location, grades and more.

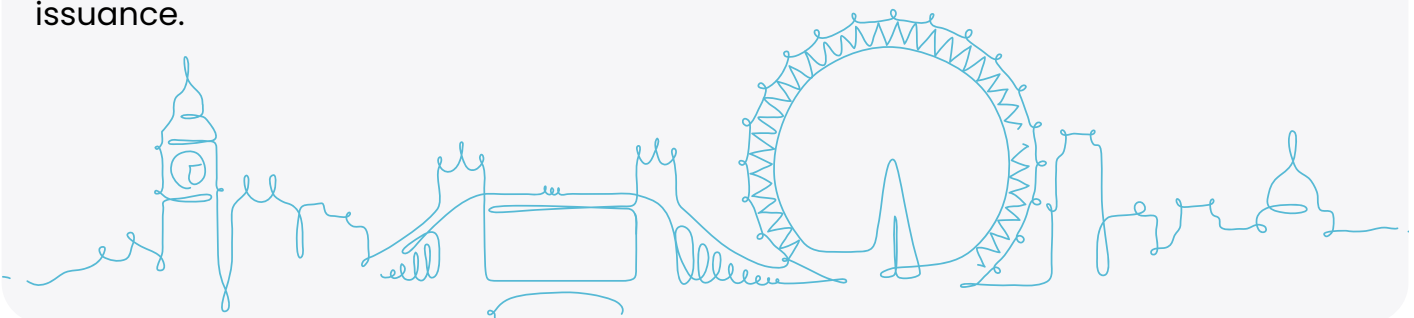

Our counsellors will ensure you submit the correct documents and assist you with booking your English test if required, obtaining references and preparing your personal statement.

We will track your applications on your behalf and manage your offers. When you accept the offer, we'll help you arrange your accommodation, deposit payment and request your CAS issuance.

Plus, where possible, we will actively work to get you a discount in the form of a partial scholarship or reduced accommodation fees. Some discounts are exclusive to students applying through a Global Study UK counsellor.

Before you arrive in the UK, we have our own, dedicated visa counselling team based in our London headquarters who are always available to support you with your interview preparation and boast a 99.9% visa approval rate.

We also have two conveniently located offices in central London where you can seek support and guidance once you begin your studies.

FREE APPLICATION SERVICE

We're unique within our market, as we don't charge students for any of our services. We work directly with our institution partners on your behalf, so you won't pay a thing to us.

Though our services are not chargeable, you should consider potential future costs, such as UCAS, tuition, travel and living expenses.

EXCLUSIVE SCHOLARSHIPS

By partnering direct with institutions, we are able to offer partial scholarships, some exclusive to students applying through a Global Study UK counsellor.

Bear in mind that these discounts are only available with certain partners and may have eligibility criteria attached to them.

STUDENT VISA SUPPORT

We Have our own dedicated visa counselling team based in our London headquarters who are always available to support you with your interview preparation and boast a 99.9% visa approval rate.

We can only support you with the UK Student Visa and cannot provide guidance on other immigration or asylum processes.

ACCOMMODATION

We'll support you in finding your dream home, whether you want to be a university or private tenant. We even have access to thousands of rooms exclusively listed through our accommodation partner, Casita.

Already applied by yourself? No problem! You can still register below and access our accommodation support..

CASITA

STUDENT ACCOMMODATION

We're proud to be an official partner of Casita student accommodation. Casita helps international university students find a place to call home in study destinations across the globe, and students can choose from over 300,000 rooms.

STEP BY STEP SUPPORT

During your booking process, we help and guide you through your student-room selection, help you make your deposit payment directly to the building, arrange a guarantor if needed, and confirm your chosen room. If that means taking you through it step by step, we are here to support you. Our service team is here to make the whole process as seamless and easy as possible.

THE SELECTION PROCESS

After choosing your university and getting your offer the final step of the process is choosing your new home. This is one of the most important decisions you must make, and finding the right home in the right location for your budget is key to having a great study experience. There are tens of thousands of homes available on our website so choosing the most suitable student home can be very difficult.

Our professional customer support team will take you through the different buildings and room types and explain everything in detail so you can make a careful and calculated choice regarding your new accommodations. We at Casita work very closely with the university student accommodation providers and the universities to provide you with the best possible experience whilst moving to your new home.

CAMBRIDGE EDUCATION GROUP

FOUNDATION PROVIDER

- Choose from world-leading pathways across the UK
- Designed for students not eligible for direct entry
- Guaranteed progression to over 500 possible courses

CENTRES

Campuses in the United Kingdom include Sunderland, Central Lancashire, Aston, Hull, Coventry, Reading, London South Bank and ONCAMPUS London. CEG also offers non-UK options in the Netherlands, Sweden and the USA.

ACADEMIC STRENGTHS

Each partner university offers a variety of programmes. Some particularly well-ranked options include the University of Central Lancashire for medicine, Coventry University for economics and the University of Sunderland for pharmacy.

FACILITIES

Each university offers an extensive library and state-of-the-art facilities. These include a new sports centre at the University of Central Lancashire, a £55m engineering building at Coventry University and an award-winning enterprise hub at London South Bank.

INTERNATIONAL STUDENT SUPPORT

Cambridge Education Group has helped over 4,000 international students progress on to their degrees in the last decade. They support students by offering small class sizes and organising enough extracurricular activities to ensure students make the most of their time.

FIND EDUCATION

FOUNDATION PROVIDER

- Study your foundation year in a city famous for education
- Programmes taught at the Oxford Brookes University campus
- Progression opportunities to more than 70 universities worldwide

CENTRES

Find Education's foundation programme is taught at Oxford Brookes University. Accessing the city is easy from Heathrow and Gatwick airports with a direct bus link. Students can also take advantage of a direct train and bus service to London, Reading and Birmingham.

ACADEMIC STRENGTHS

The International Foundation Diploma (IFD) is a university preparation programme recognised by over 70 universities in the UK, US, Ireland and Australia. Notable progression opportunities include the University of Leeds, University of Liverpool and Newcastle University.

FACILITIES

Students studying on a programme with Find Education can use the facilities of Oxford Brookes University as if they were full-time degree students. This includes access to excellent libraries, study spaces, sports centres and much more.

INTERNATIONAL STUDENT SUPPORT

Find Education offers personalised teaching in small classes by experienced staff who are experts in their field. English language support is also available alongside services aimed at supporting students on a range of academic and welfare issues.

FindEducation

HOLMES EDUCATION GROUP

FOUNDATION PROVIDER

- A pioneer of international student education programmes
- Over 20,000 students are educated by the group each year
- Choose from a foundation year or English language lessons

CENTRES

The Holmes Education Group has foundation partnerships with the University of Worcester, the University for the Creative Arts and St Mary's University in London. Students can also study English at their language centres across the globe.

ACADEMIC STRENGTHS

Partners of the Holmes Education Group offer highly ranked courses providing a great stepping stone to life as an undergraduate. A notable example is the University for the Creative Arts, which is ranked among the best specialist arts universities in the world.

FACILITIES

Students studying on a programme with Holmes Education Group can use the facilities of their partner universities as if they were full-time degree students. This includes access to excellent libraries, study spaces, sports centres and much more.

INTERNATIONAL STUDENT SUPPORT

Holmes Education Group offers personalised teaching in small classes by experienced staff who are experts in their field. English language support is also available alongside services aimed at supporting students on a range of academic and welfare issues.

INTO

FOUNDATION PROVIDER

- Pathways designed to prepare you for all levels of study
- Choose to study at a university in the UK or USA
- Guaranteed progression for successful pathway students

CENTRES

UK (City, Glasgow Caledonian, Manchester, Manchester Metropolitan, Newcastle, Queen's Belfast, East Anglia, Exeter, Gloucestershire and Stirling). A number of options in the USA are also available in states including Florida, Massachusetts, Oregon, Illinois and Virginia.

ACADEMIC STRENGTHS

Each partner university offers a variety of programmes on offer. Some particularly well-ranked options include mechanical engineering at Glasgow Caledonian University, law at the University of Exeter and business at Newcastle University.

FACILITIES

INTO Study Centres are designed to create a great environment, with facilities including modern classrooms and space for private study and socialising. The partner universities offer libraries, shops, restaurants, a range of societies and sports facilities.

INTERNATIONAL STUDENT SUPPORT

From the moment you decide to study in the UK, INTO is ready to help. Specialise study advisors have helped thousands of international students settle into life in the UK and can offer support with visas, accommodation and much more.

KAPLAN INTERNATIONAL PATHWAYS

FOUNDATION PROVIDER

- Courses designed around international student success
- English language and academic support available to all students
- Choose from a range excellent colleges across several countries

CENTRES

Kaplan International Pathways offer foundation courses at some of the UK's most prestigious universities, including several Russell Group members such as the University of Bristol, the University of Liverpool and the University of York. Other popular centres include Essex, Brighton and Bournemouth.

ACADEMIC STRENGTHS

Kaplan programmes are designed following close work alongside the partner university to ensure that students have the knowledge to easily progress to their full degree. Courses are also designed to include skills to improve employability from this early stage.

FACILITIES

Almost all Kaplan colleges are based on the campuses of the partner universities and students will live and learn as university student as soon as they arrive. They can use the university facilities including sports centres, libraries, computer suites and much more.

INTERNATIONAL STUDENT SUPPORT

Student Services teams are based onsite at the International Colleges. Staff are dedicated to making sure that students enjoy their time in the UK. They will always be on hand to answer any questions from before you arrive until you progress.

MALVERN INTERNATIONAL

FOUNDATION PROVIDER

- Study on campus at the University of East London
- Study among over 17,000 students from 147 different countries
- Interactive lessons designed to improve your confidence

CENTRES

Based at the University of East London, Malvern International is located near the heart of London's financial district. Within minutes, students can access the major cultural, historic and leisure sites. London also has great transport links to UK cities and the campus is easily accessible from all London airports.

ACADEMIC STRENGTHS

Teaching at Malvern International is carried out by experts who are practising in their field. Some particularly notable programmes offered include the International Foundation Year in Architecture, the International Foundation Programme in Engineering and the International Year One in Business.

FACILITIES

Students at Malvern International are treated as normal UEL students and thus have access to all university facilities. The university has excellent sports facilities including a state-of-the-art gym. The university also boasts a large library and an extensive array of study and social spaces.

INTERNATIONAL STUDENT SUPPORT

Students can access the UEL International Office, offering a range of services to support its students from outside of the UK. The university was ranked first in the UK for its visa support service. Students can also access services related to careers, accommodation, welfare and much more.

NAVITAS

FOUNDATION PROVIDER

- Choose to study at a top university in the UK or in the Netherlands
- Guaranteed progression to undergraduate studies for successful students
- A large range centres at some of the world's best universities

CENTRES

Navitas offers foundation courses at some of the UK's most popular universities, including some of the most affordable options in the UK such as Anglia Ruskin University, Brunel University London and Birmingham City University. Navitas also have centres overseas in Canada, the Netherlands and Australia.

ACADEMIC STRENGTHS

Each partner university offers a variety of programmes, including some with notable rankings. Some particularly well-ranked options include the University of Portsmouth for engineering, the University of Plymouth for business and Swansea University for economics.

FACILITIES

Each university offers an extensive library and state-of-the-art facilities. These include a new Bloomberg trading suite at the University of Portsmouth, a replica law court at the University of Hertfordshire and a marine centre at the University of Plymouth.

INTERNATIONAL STUDENT SUPPORT

Navitas has helped thousands of international students progress on to their degrees. They support students by offering small class sizes and teaching provided by world-class experts in their fields. All campuses are in multicultural cities, so any student will feel at home.

OXFORD INTERNATIONAL

FOUNDATION PROVIDER

- Choose from four colleges located on historic university campuses
- Continuation to your chosen bachelor's degree upon successful completion
- Proven successful track record with an excellent 96% progression rate

CENTRES

Oxford International has five colleges located within its partner universities. The University of Dundee in Scotland, the University of Greenwich in London, De Montfort University in Leicester, the University of Bradford in northern England and Bangor University in northern Wales.

ACADEMIC STRENGTHS

Oxford International university partners hold many academic strengths in a variety of fields including art and design, life sciences and research and business and enterprise. The University of Dundee is in the top 200 universities worldwide.

FACILITIES

All international students have access to the partner university facilities as if they were a full-time degree programme. These include state-of-the-art sports facilities, extensive libraries and a wide range of societies and clubs that all students can join.

INTERNATIONAL STUDENT SUPPORT

Students studying on a programme with Oxford International will receive excellent teaching from experienced tutors in small class sizes. Dedicated teams are available to assist with welfare or academic problems and are always there to help.

QA HIGHER EDUCATION

FOUNDATION PROVIDER

- Curriculum designed to prepare you for your full degree
- Guaranteed progression onto your degree for successful students
- A range of vibrant and exciting locations across the UK

CENTRES

ABBNEY DLD COLLEGES

LONDON, CAMBRIDGE & MANCHESTER

- Choose from colleges located in three vibrant and exciting cities
- Study GCSEs, A-Levels or your International Foundation Year
- Specialist teaching designed around international students

CENTRES

Students can choose to study their courses at one of three locations – London, Cambridge or Manchester. All cities have excellent amenities and can be easily accessed from major international airports. They also have rail stations linking them to other major UK cities.

ACADEMIC STRENGTHS

Abbey DLD offers gold standard tailored teaching in small class sizes to ensure that students receive personalised support. Over half of all students receive A* or A grades, and more than fifty have recently progressed on to degree programmes at Oxford or Cambridge.

FACILITIES

Abbey DLD campuses are new, modern and have outstanding facilities in a range of areas. Over 500 ensuite bedrooms are available and are located in the heart of the cities. A library and excellent sports facilities are also available.

INTERNATIONAL STUDENT SUPPORT

Students can access support 24/7 pastoral support through their house parents and all students receive a personal tutor for academic support. The colleges will also organise a range of extracurricular activities for all students to take part in.

UNIVERSITY OF ABERDEEN

ABERDEEN, SCOTLAND

- Founded in 1495, it is one of the oldest universities in the world
- Ranked within the top 1% of universities worldwide
- Home to over 15,000 students from more than 130 countries

LOCATION

The university is located in the heart of Aberdeen in northeast Scotland. The city can be accessed easily by rail or air with frequent connections to Edinburgh, London and further afield. It was recently declared the safest city in Scotland.

ACADEMIC STRENGTHS

The university ranks highly in almost all subjects but is particularly world-leading in fields relating to petroleum, gas and engineering. The fact that five Nobel laureates have graduated from Aberdeen is testament to this.

FACILITIES

The university boasts outstanding sports facilities, including the Olympic standard Aberdeen Sports Village. The library is also one of the most comprehensive of any university and can be accessed 24/7 during exam periods.

INTERNATIONAL STUDENT SUPPORT

The relatively new International Centre is home to a dedicated team of International Student Advisors. Here, students can meet informally and receive information. Students can also access exclusive trips away which are very popular and an excellent way to make friends.

ABERTAY UNIVERSITY

DUNDEE, SCOTLAND

- Boasts small class sizes meaning a more personalised education
- Offers an excellent career service to prepare you for the modern world
- A thriving coastal city with excellent shopping and nightlife

LOCATION

The university is located in the heart of Dundee in eastern Scotland. The city can be accessed easily by rail from Edinburgh and Glasgow, which both have international airports. It is a lively and green city, located on the North Sea coast.

ACADEMIC STRENGTHS

An Abertay education provides you with a wealth of opportunities for personal development: intellectually, professionally and individually. The university is particularly well renowned for its courses in law and cybersecurity. Employable skills are woven throughout all programmes.

FACILITIES

The university boasts extensive state-of-the-art facilities, including the 'White Space' – a unique knowledge environment for both staff and students. Abertay also has world-class facilities dedicated to cybersecurity and gaming and graphics development.

INTERNATIONAL STUDENT SUPPORT

International students at Abertay University benefit from a dedicated team who can help with both personal and academic matters. The city has a long history of welcoming overseas visitors, so students from all backgrounds will feel at home in Dundee.

ANGLIA RUSKIN UNIVERSITY

CAMBRIDGE, ENGLAND

- Dates back to 1858, founded as the Cambridge School of Art
- Several subjects ranked in the top #10 of UK universities
- A large and diverse international student body of over 3,300

LOCATION

The university is located in the stunning city of Cambridge. It also boasts two other campuses nearby in Chelmsford and Peterborough for certain courses. Due to its location in the south-east of England, you can take a train and arrive in London in just 50 minutes

ACADEMIC STRENGTHS

One of the greatest strengths of the university is its strong links to industry. Students benefit from this through internships and many courses will guarantee work experience. Some of the most highly ranked courses include sports science, business and engineering.

FACILITIES

Over £100m has been invested in modernising the university over the last five years, and a further £91m will be invested over the next five. Some of the most impressive features include a law court, forensic science labs, a hospital ward and a crime scene unit.

INTERNATIONAL STUDENT SUPPORT

The Student Services Team are there to help and support you through your studies and beyond. They can assist with a range of issues, including those related to finance, careers, accommodation, personal support and much more.

ARTS UNIVERSITY BOURNEMOUTH

BOURNEMOUTH, ENGLAND

- #1 specialist university in the UK for employability
- Rated TEF Gold – the highest standard for UK university teaching
- Specialist arts school with staff who are experts in their field

LOCATION

The university is located in Bournemouth on the south coast of England. It is one of the warmest cities in the UK and is a popular beach resort. It has fast and frequent connections to major cities including Portsmouth, Southampton and London.

ACADEMIC STRENGTHS

Arts University Bournemouth ranks highly in a number of subjects but is particularly well known for its degrees relating to animation, fine art and photography. They also offer many niche, difficult-to-find courses such as dance and textiles.

FACILITIES

The university campus is a living, breathing, academic environment for creativity. They invest heavily in the technology and spaces that equip you for life in the creative industries and want you to get used to the equipment and facilities you'll find in the real world.

INTERNATIONAL STUDENT SUPPORT

A dedicated international student support service exists and includes additional learning support, visa and immigration help, language support, free airport transfers and much more. Students at the university are from over 60 countries, so international students will feel right at home.

ASTON UNIVERSITY

BIRMINGHAM, ENGLAND

- Awarded TEF (Teaching Excellence Framework) Gold standard
- Majority of students are given an internship or work experience
- Ranked among the top universities in the UK for employability

LOCATION

The university is located in Birmingham, the second-largest city in the UK. It is also one of the UK's most diverse cities, with a huge number of cultures and languages represented. The city also has excellent links to London, Manchester, Leeds, Liverpool and many more.

ACADEMIC STRENGTHS

Aston is ranked among the top 30 universities in the country. They are particularly well known for their industry input into their courses. This ensures that real businesses are shaping the classes around skills that employers genuinely need.

FACILITIES

The campus is safe and has excellent academic and social facilities, including over 50 computer labs, 24/7 library access and a large indoor swimming pool. Accommodation is available with en-suite facilities and high-speed internet as standard.

INTERNATIONAL STUDENT SUPPORT

Birmingham is a global city, and Aston is a truly global university. Students will certainly feel right at home. However, the team of International Student Advisors are there to assist with issues including those related to visas, finance and much more.

BANGOR UNIVERSITY

BANGOR, WALES

- Awarded TEF Gold, the highest teaching quality award in the UK
- A beautiful and historic campus close to all amenities
- Almost 11,000 students call Bangor University their home

LOCATION

Bangor University is located in the northwest of England. The campus is less than a ten-minute walk from the nearby shops, restaurants and nightlife. The city has excellent transport links to major cities including Birmingham and Cardiff.

ACADEMIC STRENGTHS

Students studying at Bangor are part of a university that offers academic excellence and prides itself on providing a great overall student experience. The university has many well-respected courses and is particularly well known for sociology and computing.

FACILITIES

Bangor University is located on a stunning, historic campus. It features world-class sports and fitness facilities, shops and cafes, lots of quiet workspaces and plenty of areas to relax and socialise, plus an extensive library.

INTERNATIONAL STUDENT SUPPORT

The International Student Support Office is here to help you get the best out of Bangor. They can provide advice and guidance on a range of welfare-related matters to all international students and their families. Support is available to you from acceptance to graduation.

UNIVERSITY OF BATH

BATH, ENGLAND

- One of the highest-ranking universities in the country
- Located on a safe campus in a beautiful city with world heritage status
- Over 30% of the 13,000-strong student body are from overseas

LOCATION

The university is located in the southwest of England in the stunning city of Bath. The city is recognised as a UNESCO world heritage site for its historical significance. Excellent transport links are available to major cities including London, Bristol and Birmingham.

ACADEMIC STRENGTHS

The university is one of the highest-ranking universities in the country and has a reputation for both teaching and research excellence. Graduates leave with a high level of employability which is helped by a comprehensive work experience placement scheme.

FACILITIES

The campus has a vast array of facilities catering to all aspects of life. Along with the usual academic, sports and social facilities which most universities offer, it also boasts shops, a bank, a post office and several places to eat and drink.

INTERNATIONAL STUDENT SUPPORT

The university has students from over 130 countries, and international students make up over one-third of the population. The university offers visa support, an international student advice team and a range of Student Union societies to ensure you feel at home.

UNIVERSITY OF BEDFORDSHIRE

BEDFORD, ENGLAND

- Dates back to 1882, founded as the University of Luton
- Home to an award-winning business school
- A large and diverse international student hub from over 120 countries

LOCATION

The university has four campuses, located in Bedford, Luton, Milton Keynes and Aylesbury. All of these towns have excellent transport links to London, Oxford and Cambridge.

ACADEMIC STRENGTHS

One of the greatest strengths of the university is its strong links to industry. Students benefit from this through internships and many courses will guarantee work experience. Some of the most highly-ranked courses include sports science, business and engineering.

FACILITIES

A £40m STEM building was opened in October 2019. Furthermore, a modern and functional £34m Campus Centre including student services, social and learning spaces with a 240-seat lecture theatre was built for students.

INTERNATIONAL STUDENT SUPPORT

The Student Services Team are there to help and support you through your studies and beyond. They can assist with a range of issues, including those related to finance, careers, accommodation, personal support and much more.

BIRKBECK, UNIVERSITY OF LONDON

LONDON, ENGLAND

- Internationally excellent with a world-leading research reputation
- Evening teaching model, allowing for work experience before class
- Member of the prestigious University of London

LOCATION

The university is located in the centre of London and is within walking distance of the city's major cultural, historic and leisure sites. London also offers excellent transport links to all major UK cities, and air links to over 250 destinations internationally.

ACADEMIC STRENGTHS

Birkbeck ranks in the top 250 universities worldwide. According to the QS World Rankings, it is in the top 100 for English literature, history and philosophy. It boasts an impressive research reputation, with 73% of research rated as 'world-leading or internationally excellent'.

FACILITIES

The university has an award-winning library and an evening nursery for the children of students. Students can use the facilities of other University of London colleges, including the Student Union which features a 33-metre swimming pool and large gym.

INTERNATIONAL STUDENT SUPPORT

The university offers an in-house recruitment and employability service called Birkbeck Talent. They offer international students a work readiness programme to assist them with finding relevant work experience.

UNIVERSITY OF BIRMINGHAM

BIRMINGHAM, ENGLAND

- A member of the prestigious Russell Group of universities
- Guaranteed on-campus accommodation for international students
- A beautiful campus in the UK's second-largest city

LOCATION

The university is located in Birmingham, the second-largest city in the UK. It is also one of the UK's most diverse cities, with a huge number of cultures and languages represented. The city also has excellent transport links to London, Manchester, Leeds, Liverpool and many more.

ACADEMIC STRENGTHS

The university is truly global with over 5,000 international students from over 150 countries. Almost all courses rank highly within the UK, and most worldwide too. The fact that the university has produced 11 Nobel laureates is a testament to this.

FACILITIES

The campus is very green and is spread over 250 acres in the centre of the city. The Student Union is among the largest in the country and offers a range of societies and clubs. The university also has a range of shops and food outlets.

INTERNATIONAL STUDENT SUPPORT

The International Students Advisory Service (ISAS) is a dedicated team that provides support and advice for prospective and current international students. The university also guarantees accommodation for new international students

UNIVERSITY OF
BIRMINGHAM

BIRMINGHAM CITY UNIVERSITY

BIRMINGHAM, ENGLAND

- Over 24,000 students of more than 80 nationalities
- £260m of recent investment in new facilities and accommodation
- Accredited programmes from ACCA, RICS, CIM, IMechE and more

LOCATION

The university is located in Birmingham, the second-largest city in the UK. It is also one of the UK's most diverse cities, with a huge number of cultures and languages represented. The city also has excellent links to London, Manchester, Leeds, Liverpool and many more.

ACADEMIC STRENGTHS

The university offers a range of undergraduate, postgraduate and professional courses. Local business partnerships form an important part of courses. These include Jaguar Land Rover which makes BCU a particularly good option for engineering degrees.

FACILITIES

BCU offer a wide range of on-campus student accommodation. BCU's OpportUNITY on-campus jobs initiative enables students to get paid for gaining work experience. Each faculty has a placements team who assists students in seeking employment or internships.

INTERNATIONAL STUDENT SUPPORT

The International Office will collect new students from Birmingham International Airport and invite you to exclusive welcome events. They will also assist with issues related to visas, opening bank accounts or meeting new people.

BOURNEMOUTH UNIVERSITY

BOURNEMOUTH, ENGLAND

- Home to over 2,000 international students from 100 countries
- More students on work placements than any other university
- The UK's only Centre of Excellence for Media

LOCATION

The university is located in Bournemouth on the south coast of England. It is one of the warmest cities in the UK and is a popular beach resort. It has fast and frequent connections to major cities including Portsmouth, Southampton and London.

ACADEMIC STRENGTHS

Bournemouth University ranks highly in a number of subjects but is particularly well known for its degrees relating to media, hospitality and healthcare. Graduates from Bournemouth can expect to earn almost £3,000 more than other graduates after their course.

FACILITIES

The university library has won two national awards and can be accessed 24/7 during term time. The Student Union is also award-winning and offers over 100 clubs and societies to ensure that all students can find something they enjoy doing as an extracurricular activity.

INTERNATIONAL STUDENT SUPPORT

A dedicated international student support service exists and includes additional learning support, an academic buddy system, language support, free airport transfers and an on-site doctor's surgery. All international students are sure to feel at home right away.

BPP UNIVERSITY

LONDON, ENGLAND

- Located in the centre of the UK capital
- A private university specialising in business, law, finance and healthcare
- Over 16,000 students call BPP University their home

LOCATION

The university is located in the centre of London and is within walking distance of the city's major cultural, historic and leisure sites. London also offers excellent transport links to all major UK cities, and air links to over 250 destinations internationally.

ACADEMIC STRENGTHS

The university is a UK degree-awarding body with four schools: School of Business and Technology, School of Law, School of Health and School of Nursing. Because the university only specialises in very specific areas of study, it is highly regarded for its quality teaching and links to industry.

FACILITIES

BPP University facilities centre solely around courses and increasing your skills and employability. Students will find that they are exposed to state-of-the-art teaching facilities which give them practical, on-the-job training, such as mock courtrooms for law students and healthcare facilities for nursing.

INTERNATIONAL STUDENT SUPPORT

Moving to a new country or city is an exciting time and BPP University's support for international students starts right away with dedicated assistance for visa, accommodation and finance enquiries. Students can continue to receive support right through until the end of their course too.

UNIVERSITY OF BRADFORD

BRADFORD, ENGLAND

- Internationally recognised for world-leading research
- Awarded the Queen's Anniversary Prize for Higher and Further Education
- 70% of professional courses are recognised by professional bodies

LOCATION

Bradford is located in Yorkshire, in the north of England. The campus is made up of stunning buildings featuring traditional architecture. Bradford offers excellent links by train to major UK cities including London, Manchester, Leeds and Birmingham.

ACADEMIC STRENGTHS

Bradford is renowned for world-leading research, with 96% of all research ranked as internationally excellent. Industry leaders understand the value of Bradford graduates, as over 70% of courses are recognised by professional, statutory or regulatory bodies.

FACILITIES

On-campus accommodation options have been ranked among the UK top 5 for university halls of residence cost and arrival experience. The Student Union has everything to complement student life including sports, societies and volunteering opportunities.

INTERNATIONAL STUDENT SUPPORT

Bradford was ranked within the UK's top 3 for student support. Students can access excellent work placement opportunities and benefit from the University's global network of potential employers. A dedicated International Office team is always there to support students with any issue.

UNIVERSITY OF BRIGHTON

BRIGHTON, ENGLAND

- Can trace its roots back to 1850 as the Brighton School of Art
- Well renowned globally for practical arts-related programmes
- Places a large emphasis on sustainability and creativity in student work

LOCATION

The university is located in Brighton on the south coast of England. It is one of the warmest cities in the UK and is a popular beach resort. It has fast and frequent connections to major cities including Portsmouth, Southampton and London.

ACADEMIC STRENGTHS

Courses take a career-focused approach to learning. Almost all degree programmes include work placements and many are recognised and accredited by professional bodies. The university is particularly well ranked for its courses relating to art, design and fashion.

FACILITIES

The university has three campuses in Brighton and one in Eastbourne. On all campuses, students can access libraries, accommodation and student support centres offering careers and academic support. Sports facilities are also provided, including a gym and pool.

INTERNATIONAL STUDENT SUPPORT

A dedicated team of International Welfare Advisors are on hand to support students. The university guarantees campus accommodation and offers free English language support and a complimentary orientation programme upon arrival.

University of Brighton

UNIVERSITY OF BRISTOL

BRISTOL, ENGLAND

- Students are taught by internationally renowned academics
- A member of the prestigious Russell Group of universities
- Ranked among the top 6 UK universities for employability

LOCATION

Bristol is one of the UK's largest cities and is located on the southwest coast of England. International students will feel at home in this diverse city with excellent shopping and nightlife. An international airport serves the city and there is a direct train to London.

ACADEMIC STRENGTHS

The university is highly research-intensive. Students will be taught by academics who are currently practising in their field and publishing regular, cutting-edge research. The fact that 13 Nobel laureates have graduated from Bristol is a testament to this.

FACILITIES

The university has nine libraries and study spaces can be accessed 24/7. They are among the most extensive in the UK and over 2,000 PCs are available to use. Bristol also boasts fantastic sports facilities including a state-of-the-art fitness centre and a 32m swimming pool.

INTERNATIONAL STUDENT SUPPORT

The International Office is available to deal with any issues which may arise before and during your time at the university, including those related to visas and finance. The university also guarantees accommodation to new students in their first year.

BRUNEL UNIVERSITY LONDON

LONDON, ENGLAND

- Home to over 14,000 students from more than 110 countries
- The closest university in the UK to Heathrow Airport
- Business School ranks within the top 5% worldwide

LOCATION

The university is located in west London and is a great option for international students as it is only 15 minutes from Heathrow Airport. The city has excellent transport links and you can be amongst London's great cultural, historic and leisure sites within minutes.

ACADEMIC STRENGTHS

The university's internationally renowned research ensures that course content is always up to date. They foster an atmosphere of innovation and collaboration with employers to guarantee graduate employability at the end of the course.

FACILITIES

At Brunel, students are never more than 10 minutes away from the halls of residence, social and sports facilities, lecture theatres or the library. Recently, the university has invested over £350m into a campus redevelopment programme to improve all facilities.

INTERNATIONAL STUDENT SUPPORT

Brunel's International Student Services team offer practical and friendly support from day one. They will help you settle in, make new friends and support you throughout your time there. Students can visit the Professional Development Centre to apply for work placements.

UNIVERSITY OF BUCKINGHAM

BUCKINGHAM, ENGLAND

- Awarded Gold standard in the Teaching Excellence Framework
- Ranked top for teaching quality and student experience
- Students can earn their BA degree in two years instead of three

LOCATION

The University of Buckingham is located in the beautiful countryside in the town of Buckingham and is ranked among the safest campuses in the UK. The town has a range of amenities and the cities of Oxford, London and Milton Keynes can be reached within one hour.

ACADEMIC STRENGTHS

The university is small with around 2,000 students. The university operates on a personal scale with just nine students to every one staff member. They specialise in two-year undergraduate degrees and offer entry points throughout the year.

FACILITIES

The university provides sports and fitness facilities and students can join to compete or to have fun. Similarly, a fully equipped gym is also available offering exercise classes. The library is extensive and aims to support the university's teaching and research programmes.

INTERNATIONAL STUDENT SUPPORT

Buckingham provides several courses and classes to help students adjust to life in the UK. An English Language Centre is available for further tuition in academic, business and written English. Over 90 different nationalities are represented on the campus.

THE UNIVERSITY OF
BUCKINGHAM

CARDIFF UNIVERSITY

CARDIFF, WALES

- A member of the prestigious Russell Group of universities
- Excellent rate of employability due to focusing on desirable workplace skills
- Located in the heart of a vibrant capital city with links to other major cities

LOCATION

The university is located in Cardiff, the capital city of Wales. Cardiff is just two hours from London by train. Lively, elegant, confident and cosmopolitan, Cardiff caters for a variety of tastes, offering everything from a vibrant city to a tranquil coast and nearby countryside.

ACADEMIC STRENGTHS

As a member of the Russell Group, you can guarantee world-class teaching from a global leader in education. More specifically, the university is particularly well renowned for its courses relating to architecture, engineering and business management.

FACILITIES

Cardiff has an extensive library and excellent IT facilities creating over 3,000 study spaces. The Student Union is ranked within the top 5 in the UK and offers a comprehensive range of welfare advice and information services within a purpose-built complex.

INTERNATIONAL STUDENT SUPPORT

Cardiff's International Student Support Service provides international students with guidance and information on a wide range of academic and non-academic matters, including those related to finance, immigration and preparing for life in the UK.

CARDIFF METROPOLITAN UNIVERSITY

CARDIFF, WALES

- One of the most affordable university options in the UK
- Ranked in the UK top 10 for graduate employability thanks to industry links
- Ranked number one in the UK for international student support

LOCATION

The university is located in Cardiff, the capital city of Wales. Cardiff is just two hours from London by train. Lively, elegant, confident and cosmopolitan, Cardiff caters for a variety of tastes, offering everything from a vibrant city to a tranquil coast and nearby countryside.

ACADEMIC STRENGTHS

All faculties specialise in courses that are career-oriented and have been designed in conjunction with business and industry, and work experience is embedded within all undergraduate programmes. Staff are active in their field and regularly publish research.

FACILITIES

The university is home to the UK's first purpose-built indoor athletics track which forms part of the National Indoor Athletics Centre. Recently, the new state-of-the-art School of Management building opened, equipped with a city-standard Bloomberg trading suite.

INTERNATIONAL STUDENT SUPPORT

Cardiff Metropolitan University has been ranked number one in the UK for international student support for the last six years due to its wide range of services aimed at ensuring students have a smooth transition to British life and enjoy their time in Cardiff.

Caerdydd

UNIVERSITY OF CENTRAL LANCASHIRE

PRESTON, ENGLAND

- The university can trace its roots back to 1828
- One of the UK's largest universities with over 32,000 students
- Located close to the major cities of Manchester and Liverpool

LOCATION

The university is located in Preston in the northwest of England. The city is located a short distance from Manchester and Liverpool and has train links directly to London. Over 115,000 people live in Preston, so there is no shortage of the amenities you would expect.

ACADEMIC STRENGTHS

The teaching staff at UCLAN have a wealth of experience across a vast array of subject areas. The university is, therefore, able to offer over 350 undergraduate and 200 postgraduate degrees. The university is particularly well known for its course in forensic science.

FACILITIES

Over £200m has been invested in improving the teaching, learning and leisure facilities on campus. Students are also able to access the library 24/7 during term time. The award-winning Student Union also offers over 90 different societies to immerse yourself in.

INTERNATIONAL STUDENT SUPPORT

As well as the academic benefits included with your tuition fees, international students can access a free orientation programme, free airport pick-up, free English language support and a free sports membership.

UNIVERSITY OF CHESTER

CHESTER, ENGLAND

- Home to over 15,000 students from all over the world
- Major focus on sustainability, social impact and responsibility
- One of the oldest universities in the country

LOCATION

With easy access from motorway, rail and air links, yet just a few minutes walk from Chester's attractive city centre, the University's secluded location is the perfect place to study as an overseas student. The city also has excellent transport links to London, Liverpool and Manchester.

ACADEMIC STRENGTHS

Chester is particularly well known for its Faculty of Education and it is one of the highest-ranked in the UK. It also has an excellent Faculty of Engineering, offering a wide range of courses in different fields, with skills to increase employability woven throughout.

FACILITIES

The university has an extensive library covering all subjects offered and more. The University of Chester also offers fantastic sporting facilities including a swimming pool, gym, fitness centre, sprint track, squash courts and much more.

INTERNATIONAL STUDENT SUPPORT

Chester is a global town with a truly global university. Students will certainly feel right at home. However, the team of International Student Advisors are there to assist with issues including those related to visas, finance and much more.

CITY, UNIVERSITY OF LONDON

LONDON, ENGLAND

- Located in the centre of the UK capital
- Ranked as a top 20 university by The Guardian
- Member of the prestigious University of London

LOCATION

The university is located in the centre of London and is within walking distance of the city's major cultural, historic and leisure sites. London also offers excellent transport links to all major UK cities, and air links to over 250 destinations internationally.

ACADEMIC STRENGTHS

City University is home to the Cass Business School, which is ranked as a top 20 business school in Europe. The university ranks particularly high in its programmes relating to engineering, economics and psychology.

FACILITIES

The university is home to the largest student sports facility in London, called CitySport. City also boasts outstanding laboratory facilities for its engineering, health, media and computing students. Other University of London colleges' facilities can be used too.

INTERNATIONAL STUDENT SUPPORT

The International Student Support centre can assist with visa information among a range of other issues students may be facing. The university also guarantees all new students accommodation in the first year of their course.

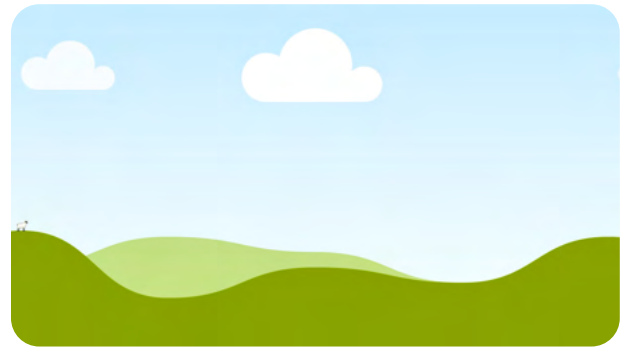

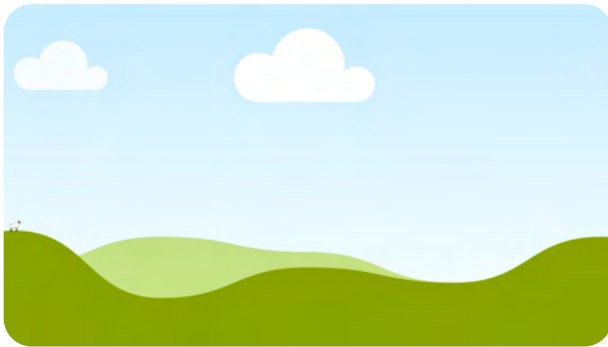

**CITY UNIVERSITY
LONDON**

COLLEGE OF MEDICINE AND DENTISTRY

BIRMINGHAM, ENGLAND

- Specialises in postgraduate dental courses
- UK's first private dental college delivering clinical dental education
- Students taught by a team of world renowned dental professors

LOCATION

The university is located in Birmingham, the second-largest city in the UK. It is also one of the UK's most diverse cities, with a huge number of cultures and languages represented. The city also has excellent links to London, Manchester, Leeds, Liverpool and many more.

ACADEMIC STRENGTHS

The College of Medicine & Dentistry is the UK's first private dental college delivering clinical dental education. They are particular specialists, opting to only teach at a postgraduate level. This means that students can specify a particular type of practice.

FACILITIES

The university boasts outstanding, state-of-the-art dental facilities to ensure students train in situations similar to those they will face the following graduation. The multinational, expert faculty support students throughout their programme to ensure they are ready to practice.

INTERNATIONAL STUDENT SUPPORT

As a working practice, the College of Medicine & Dentistry does not have a specific international office. However, students and staff at the university come from across the globe, and all are able to offer support or direct you to the appropriate services.

COVENTRY UNIVERSITY

COVENTRY, ENGLAND

- Highly ranked as one of the top 15 universities in the UK
- Winner of 'Modern University of the Year' in 2014, 2015 & 2016
- Students can choose from campuses in both Coventry and London

LOCATION

The University of Warwick is located in Coventry in the heart of England. The city offers excellent transport links to major UK cities including Birmingham, London and Manchester. It is also easily accessible from several major international airports.

ACADEMIC STRENGTHS

The university emphasises high-quality teaching, tempered with real-life practical learning. They have state-of-the-art facilities, and strong industry links to future employers including Rolls Royce and Barclays. They are particularly renowned for their engineering degrees.

FACILITIES

In recent years, over £150m has been invested in the Coventry campus. Over £55m of this was spent on the new Engineering, Environment and Computing building, and £60m was spent on the flagship Health and Life Sciences Building.

INTERNATIONAL STUDENT SUPPORT

More than 9,000 international students from over 150 countries can be found at Coventry. It is the second most popular destination for foreign students so you will always feel at home. The International Office is always there to assist with any issues which may arise.

CRANFIELD UNIVERSITY

CRANFIELD, ENGLAND

- Specialist teaching with only postgraduate courses offered
- Focus on technology and management is a distinct combination
- Links with over 1,500 businesses and governments worldwide

LOCATION

Cranfield is a small town located in the heart of England and sits between Bedford and Milton Keynes. It is easily accessible from major cities including London, Oxford and Cambridge. Students from the university make up a large portion of the local population, giving the town a vibrant feel despite its size.

ACADEMIC STRENGTHS

Cranfield University exclusively teaches postgraduate degrees. The academics are world-leading specialists and their courses are among the best globally. Some key areas of expertise include aerospace, defence, energy and manufacturing.

FACILITIES

The campus has a range of facilities on-site, including a launderette, supermarket, post office, bank, barbers, dentist and several cafes and restaurants. There is also a modern sports centre and gym. Most students will never need to leave the area to access any amenities they may need.

INTERNATIONAL STUDENT SUPPORT

Cranfield has a vibrant and diverse student body with students from more than 100 different nationalities, ensuring your experience reflects the global workplace. The Student Immigration team is always there to assist with any problems.

UNIVERSITY FOR THE CREATIVE ARTS

CANTERBURY, ENGLAND

- Four campuses in Canterbury, Epsom, Farnham and Rochester
- Specialises in courses related to art, design, architecture and media
- Boasts an impressive 97% employability rate following graduation

LOCATION

The University for the Creative Arts boasts four campuses. These are located in Canterbury, Epsom, Farnham and Rochester. All locations have excellent transport links and have plenty of amenities for shopping and social life. All can be easily reached from London airports.

ACADEMIC STRENGTHS

As a specialist creative arts university, UCA has created a unique community for our students, where like-minded people can share in the creative process and inspire one another. Collaboration between courses is encouraged, giving students exposure to a range of different programmes and industries.

FACILITIES

To encourage your experimentation, creativity and enterprise, UCA invests extensively in unique resources and high-tech digital technologies. This means they can offer industry-standard creative environments across all campuses, equipped with the latest facilities.

INTERNATIONAL STUDENT SUPPORT

As one of the largest specialist creative arts universities in Europe, UCA offers a global perspective in creative education, with 17 per cent of students coming from overseas. They have a diverse international community that welcomes students from 91 nations.

DAVID GAME COLLEGE

LONDON, ENGLAND

- 70% of students progress to Russell Group universities
- Students can study GCSEs, A-Levels or an International Foundation Year
- Outstanding Ofsted reports in 2017 & 2020

LOCATION

The university is located in the centre of London and is within walking distance of the city's major cultural, historic and leisure sites. London also offers excellent transport links to all major UK cities, and air links to over 250 destinations internationally.

ACADEMIC STRENGTHS

The college offers gold-standard teaching and the fact that 70% of students enrol with Russell Group universities is a testament to this. Students will experience small class sizes, weekly personal tutor meetings and individual UCAS support & careers guidance.

FACILITIES

- Has campuses in Edinburgh, Malaysia and Dubai

LOCATION

Heriot-Watt University is located in Scotland. It is one of the UK's oldest and most beautiful cities. Students here can enjoy great cultural sites and bustling nightlife. The city is connected by an international airport and has train services to most major cities.

ACADEMIC STRENGTHS

Heriot-Watt University has a strong track record for developing industry-fit graduates thanks to strong links to industry and a distinctive range of degree programmes. They are specialists in the areas of science, engineering, design, business and languages.

FACILITIES

The Edinburgh campus accommodation has around 2,000 student rooms. The Student Union provides a space for entertainment and socialising, as well as running many societies. The campus has eight restaurants, a shop, a medical centre and chaplaincy.

INTERNATIONAL STUDENT SUPPORT

The International Recruitment Office team are available to assist students with any part of the application process. From arrival, the International Student Advisers are on hand to provide a wide range of information and support, from immigration advice to welfare issues.

UNIVERSITY OF HERTFORDSHIRE

HATFIELD, ENGLAND

- Travel from the university to Central London in 20 minutes
- Ranked among the top 10 universities for graduate employment
- Recent investment of over £200m in improving facilities

LOCATION

The University of Hertfordshire is located in Hatfield. It is a bustling town with all the amenities you would expect and is located just 30km from Central London. In fact, students can reach the excellent shopping and cultural sites of London in just 20 minutes by train.

ACADEMIC STRENGTHS

The university works closely with industry to design its courses. For this reason, it is ranked among the top ten universities in the UK for graduate employment. Hertfordshire is particularly renowned for its courses in engineering, computer science and pharmacy.

FACILITIES

Facilities at the university focus on equipping students for the world of work. Some notable facilities on the campus include a medical simulation unit, a replica law court, wind tunnels, a flight simulator and a bioscience incubation unit.

INTERNATIONAL STUDENT SUPPORT

The international student support unit is always there to offer assistance and advice with any problems students may encounter. Students can also take advantage of the careers service, study support team, pharmacy and doctors.

UNIVERSITY OF HUDDERSFIELD

HUDDERSFIELD, ENGLAND

- Founded in 1825, it is a well-established institution
- 100% of teaching staff are Fellows of the Higher Education Academy
- Ranked among the top 25 best universities by value for money

LOCATION

Huddersfield is located in the centre of northern England in Yorkshire and is surrounded by beautiful countryside. Huddersfield is a short distance from both Manchester and Leeds international airports and has frequent direct trains to London.

ACADEMIC STRENGTHS

Huddersfield is the only university in the UK where 100% of the teaching staff are Fellows of the Higher Education Academy, so you will be taught by highly qualified teaching staff. Students can also undertake work experience as part of their course and earn money.

FACILITIES

From specialist laboratories, studios and performance spaces to a modern library and computing equipment, the campus has fantastic facilities. Student Central, the learning and leisure centre combines access to the library, computing, sport, leisure and eating.

INTERNATIONAL STUDENT SUPPORT

Students at all levels of study can access the same support from the international team. This includes orientation and arrival information through to support regarding visas, accommodation, finance or simply making new friends.

UNIVERSITY OF HULL

HULL, ENGLAND

- Traditional university with modern, state-of-the-art facilities
- Guaranteed accommodation for international students
- Students will pay some of the lowest living costs of any UK city

LOCATION

Hull is located on England's eastern coastline in Yorkshire. It was awarded the UK City of Culture in 2017 and is home to cinemas, shops, restaurants and museums. The city is accessible via Manchester, Humberside and Leeds airports, and has a direct rail link to London.

ACADEMIC STRENGTHS

The business school holds the world-leading AMBA and AACSB accreditations, putting them in the top 5% worldwide. The university is particularly well renowned for its courses relating to engineering, science and health and social care.

FACILITIES

The university has one of the largest libraries of any UK university. Accommodation is offered both on and off-campus offering single and ensuite rooms. The Student Union is home to a supermarket, restaurant, bookshop, prayer room and careers centre.

INTERNATIONAL STUDENT SUPPORT

The university offers a free collection service from the airport or train station when you first arrive in the UK. The campus has an International Office for advice and support, plus a separate visa and immigration team.

HULT INTERNATIONAL BUSINESS SCHOOL

LONDON, ENGLAND

- Home to students of 141 nationalities from around the world
- Offers both undergraduate and postgraduate business degrees
- Located in the heart of London, close to major businesses and institutions

LOCATION

Located in the centre of London near Holborn and Chancery Lane, Hult is within walking distance of the city's major cultural, historic and leisure sites. London also offers excellent transport links to all major UK cities, and air links to over 250 destinations internationally.

ACADEMIC STRENGTHS

After graduation, students are well prepared to begin their careers in business, with 98% of students employed within six months of finishing their studies. Hult also features in the top 100 business schools globally for their MBA programme, ranked by The Times.

FACILITIES

The campus has open-plan spaces, flexible meeting rooms, cutting-edge classrooms, outdoor spaces and balconies. Located between the business district of Holborn and the academic area of Bloomsbury, students will be close to any amenities they may need.

INTERNATIONAL STUDENT SUPPORT

When graduating from Hult you can work or job-hunt in the UK for two years. Now you can not only study in Europe's leading financial, creative, and startup city, but also make the most of the job opportunities in London and the UK.

UNIVERSITY OF KENT

CANTERBURY, ENGLAND

- Ranked by The Times among the top 20 universities in the UK
- Offers campuses in the UK, Belgium, France, Italy and Greece
- Ranked fourth for overall student satisfaction in the UK

LOCATION

The University of Kent is located in Canterbury on the southeastern coast of England. The city is easily accessible from both Heathrow and Gatwick international airports and there is a train station with direct trains to London, taking less than one hour.

ACADEMIC STRENGTHS

The university offers around 700 programmes across all levels. Many of these courses have featured in the UK top 20 as ranked by The Times. Kent is particularly renowned for its degrees relating to business, psychology and architecture.

FACILITIES

The campus is fully WiFi-enabled and provides students with hundreds of open-access computers. The libraries hold over 1.3m books, journals and multimedia resources. The university also has excellent sports facilities, a medical centre, a theatre and a cinema.

INTERNATIONAL STUDENT SUPPORT

The University Welcome Week helps students settle in and make new friends. This support continues through your time at Kent and students are given an academic advisor and a full range of services for their wellbeing.

KINGSTON UNIVERSITY LONDON

LONDON, ENGLAND

- Beautiful Riverside location only 25 minutes from Central London
- Ranked top in the UK for graduate business creation
- Offers practical degrees creating well-equipped, career-focused graduates

LOCATION

Following over £500m investment in industry-standard facilities, the university provides its students with modern, innovative buildings and engaging learning environments. The Student Union also offers a range of clubs and societies for any student to join.

INTERNATIONAL STUDENT SUPPORT

The dedicated International Student Support Team are available to assist all students on a wide range of issues both before and after they have joined the university. York also guarantees accommodation to students in their first year.
